# GOLDEN GARDEN AT VERSAILLES

Be immersed in exclusive luxury  
with this limited Hospitality Experience  
at the Olympic Games Paris 2024

# THE SPORT OF KINGS AT THE HOME OF KINGS

For the first time in its history, the Château de Versailles, a UNESCO world heritage site, will host one of the most magnificent sports of the Olympic Games: Equestrian.

Transformed exclusively for Paris 2024, the palace gardens will become the world's largest royal stable and equestrian venue, creating a stunning backdrop for the competitions, and our **Golden Garden Hospitality Experience**.

# THE SPORTING EVENTS

27 JULY – 6 AUGUST

Equestrian includes three distinct disciplines, and is one of the few sports where men and women compete on equal footing.

## DRESSAGE

The most advanced expression of a horse's training; performed artistically in a series of movements before of a judging panel.

## JUMPING

A timed sport where horse and rider navigate obstacles, with penalties for each obstacle missed.

## EVENTING

Resembling an equestrian triathlon, this sport combines jumping, dressage, and cross-country for the ultimate challenge.
